Isn't it enough to do it with 3 people?

TL: Pakkuri-san is a Japanese occult board game akin to a ouija board where people can ask questions to a fox deity.
You can only play Pakkuri-san with 4 people or more!
Tomorrow will be the closing ceremony, you know?
We can only come together today now.
Pleease?
Even if you say that I can't believe that...
It can't be helped then...

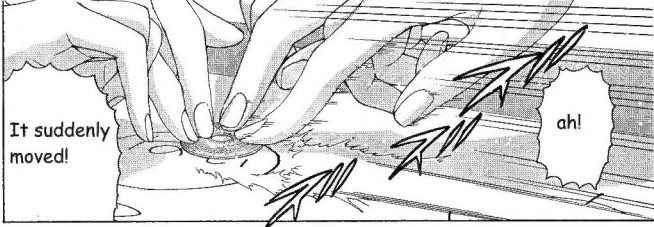
It's not moving at all.
Pakkuri-san, please answer if you have come out.
No way...
!!!
ズズッ

So strange!
Amazing! It really did move!
Pakkuri-san is an energy-being that is emitted through a hole in space-time.
He knows everything about the past and future.
fu fu
Of course.
Hey, is it okay for us to ask questions?
Anyhow, somebody must be moving it, right?
heeh...

So daring all of a sudden!
Michiko, you really are into love, right?
Pakkuri-san, if I'm going to have a boyfriend...
in how many years will that be?
Be serious!
ズズズ
It says in 7 years! That's so nice!
uhuh... I doubt it...
OK, next is my turn, right?
7

Pakkuri-san Pakkuri-san have I already...
met the person who I will marry in the future?
Does that mean "no"?
It doesn't move
It just twitched.
…?



It suddenly moved!
ah!

……
Kya! It says you've already met him!
O...of course that's the truth!
Pakkuri-san is someone who sees everything!

have Shouta-kun's baby in the future?
Will Sayo...

Next is Sayo, right?
...ehm
3

!?
It says "no"!
It's "yes"!
A baby of all things!
Sayo is so shameless!
Next is Rio-chan.
eh?
You girls...
Look! Look!
Yaahn! Yaahn!
Too bad!

You've waited this long, so ask anything...
I'm okay
I've got nothing to ask.
A question about love perhaps?
no no.
I'm really not interested in stuff like that.
Kya! It says there is!
Is there a boy that likes Rio-chan?
In that case, Sayo will do it.
Hey, stop it...
How nice is that...

That boy, who is it?
eh? You're kidding, right?
I can't believe it, but ...oh no
Sh...?
Wait! I really don't like that!
somehow it makes me a little happy...
Rio-chan!?
heh? ...what is it?
No way!
ah

Don't you know?
It says that when you let go midway a curse will befall on you!
even though she was a really beautiful person, when she stopped in the midst of a Pakkuri-san session...
she became fat very fast and a year later... she was called a "sow"...
You know, a friend of my big brother's friend from cram school...
anyhow, it's just super-stition, right?
I... I didn't know that, but...
You cannot escape the curse of Pakkuri-san.
No way... That's the worst!

I... I'm sorry... What should I do?
That goes for all four of us!
.....

Let's ask Pakkuri-san.
OK
Let's do that.

5 take off... what does that mean?
5
take
off
Pakkuri-san, how will you forgive us?

I got it!
We have to take off 5 pieces of clothing, right?
I think so too.
Anyways, let's take these off.
eh?
Now? Here?
You too Rio-chan, quick!
uh...
okay

Let's ask.
What... should I do!?
Then the conditions for forgiveness are...!!
Don't tell me you're wearing only 4 pieces of clothing?

Pakkuri-san what should the person do who is one piece short?
A dog...?
Don't tell me it's telling you to imitate a dog!?
a...
...dog
I don't want to!
.....
Doing such an embarrassing thing! ...I...
It's too pitiful if only Rio-chan is doing it...

It can't be helped; I will do it too.
Me too!
Sayo will become a dog together with you!
Sayo...
girls...
PAT
Rio-chan!
but I don't want to trouble you any further.
Thank you...

...it's so embarass-sing that I'm going crazy
but... for everybody's sake.....
I'm a dog... a dog!!
